

Make this event a fundraiser for your lodge and help raise more money for our charities.

Here is how we have come up with a way that **we may all share in the profits.**

#1) We, at Raleigh Lodge #500, realize that we are asking each and every team/Lodge to pay a \$200.00 entry fee – travel, incur expenses, and we're NOT giving any award monies.....so what's in it for you? (Other than fun, notoriety, bragging rights, and some really cool looking trophies / plaques).

#2) We also know that there are also some Lodges out there that do not have a lot of "fund-raising" opportunities.

So here is what we propose and have implemented.....

- When a team enters and pays the entry fee – your team/Lodge will receive thirty (30) free tickets to enter the event. These tickets have a retail value of \$10.00 each.
 - If you sell these tickets at \$10.00 ea – you will then have the opportunity to get your entry fee back.
 - After those initial 30 – you can purchase as many tickets as your Lodge desires at ½ price - \$5.00 ea. You now have the opportunity to sell these tickets – once again at retail - \$10.00 ea – and now make/earn/profit \$5.00 per ticket each.

Example:

Big Daddy Lodge #123 decides to enter a team into the cook-off. When we receive their application along with their \$200.00 – we then send you 30 free tickets. You then sell those tickets and you have now not only broken even but also raised \$100 for charity. You then contact us and request an additional 100 tickets. We send you 100 tickets for \$500.00. You then turn around and sell those tickets for the retail value of \$10.00 each – and Big Daddy Lodge #123 now pockets \$500.00.

So not only are you participating in the best BBQ Cook-Off in the state – but you now get to take some ownership in it and turn it into a fund-raiser for you as well!
